2. Solicitation Terms and Conditions/Instructions to Proposers

2.1 Deadline for Submission of Proposals/Late Proposals

Proposals submitted in response to SRTA Solicitation No. 20-005 must be received by SRTA no later than **2:00 p.m. (EST) on July 31, 2019** to ensure that they are evaluated for Contract award by the Evaluation Committee for this procurement. Proposals received after the submission deadline will not be evaluated.

2.2 Format of Proposals

Each Proposer shall submit six (6) copies of its technical proposal, inclusive of one (1) original and five (5) identical paper copies, and one (1) electronic copy on USB drive. The technical proposal shall consist of all offer documents and supporting documentation requested in the RFP ("Technical Proposal"), excepting Offer Document 8-Price Proposal. The Technical Proposal shall be submitted in a sealed envelope and clearly marked "Technical Proposal" with the Proposer name, SRTA Solicitation Number and Proposal Submission Deadline on the exterior of the envelope. The "original" paper copy of the Technical Proposal must be unbound. The USB drive shall contain electronic file copies of all complete, signed Offer Documents that are submitted in paper copy format

Each Proposer shall also submit six (6) copies, inclusive of one (1) original and five (5) identical paper copies, and one (1) electronic copy in Excel format on USB drive, of Offer Document 8-Price Proposal in a separate sealed envelope clearly marked as "Price Proposal" with the Proposer name, SRTA Solicitation Number and Proposal Submission Deadline on the exterior of the envelope. **Pricing must be submitted in a separate sealed envelope.**

Both the Technical Proposal and Price Proposal must be submitted to the Issuing Office by the Proposal Submission Deadline in order for the Proposer's submission to be eligible for evaluation and consideration for Contract award. All paper copies must be clearly marked as being either "Original" or "Copy" as applicable. Electronic copies, submitted on a USB drive, must be submitted in Portable Document Format (PDF), Microsoft Word, and/or Microsoft Excel formats, as applicable. In the event of a discrepancy between a hard copy and electronic versions, the Original hardcopy version will govern.

If a Proposer submits an affidavit referred to in Section 2.5 (Confidential/Proprietary Information), one (1) separate electronic copy in searchable PDF format on one or more USB flash drives of its proposal labeled "SRTA Solicitation No. 20-005: [Proposer Name] [Copy of Non-Confidential Portion of Proposal]" that excludes any records attached to such affidavit with no file to exceed 50MB.

required forms may be completed by using the free Adobe Reader software available at <http://get.adobe.com/reader/>. Proposals must be typed in English and all pricing must be provided in US dollars and exclude federal excise taxes as well as any applicable state of local sales and use taxes.

SRTA is exempt from Federal excise taxes; no payment will be made for any taxes levied on Proposer's employee's wages. SRTA is also exempt from State of Georgia and local sales and use taxes. SRTA shall furnish tax exemption certificates, upon request, to the successful Proposer.

As a condition of submission responsiveness, all offer documents that require the signature of Proposer must be signed. Any Contract award made as a result of this solicitation shall bind the Proposer to all of the terms, conditions, and specifications set forth in this RFP.

2.3 Location for Submission of Proposals/Methods of Delivery

Proposals must be submitted exclusively to the Issuing Officer at the address noted in Section 1.5. It is the sole responsibility of the Proposer to ensure that its proposal is successfully delivered to SRTA by the specified date and time. SRTA is not responsible for late or lost deliveries of proposals, for whatever reason.

Proposals that are submitted by hand delivery or delivery by U.S. Postal Service or private courier/delivery service must be delivered to the administrative office located at 245 Peachtree Center, Suite 2200, Atlanta, GA 30303. SRTA's physical address and mailing address are the same.

All envelopes, packages, and/or boxes (including all envelopes, packages, and/or boxes submitted within a larger envelope, package, or box) containing a proposal on USB drive must be clearly marked with the following identifier on the outside of the envelope, package or box:

**"Proposal in response to SRTA Solicitation No. 20-005:
RFP for Traffic and Revenue Consulting Services – July 31, 2019 2:00
p.m. (EST)
ATTN: Gary Thomason, Issuing Officer
To be opened by addressee only."**

Failure to clearly mark all envelopes, packages, and/or boxes as specified may result in the proposal being discovered and/or opened late. SRTA is not responsible for proposals discovered and/or opened late due to Proposer's failure to mark the proposal as specified. Proposals received after the Proposal Submission Deadline, due to late delivery or late discovery due to Proposer's failure to mark the proposal as specified, may result in SRTA disqualifying the proposal from consideration for Contract award.

2.4 Questions

Questions regarding the RFP must be submitted in writing, defined as being received via letter on

official firm/agency letterhead or by electronic mail, by 2:00 p.m. (EST) on July 19, 2019. Written questions must be submitted to the attention of the Issuing Officer, in accordance with Section 1.5 above.

The final Contract that SRTA expects to award as a result of this RFP is attached hereto as Part 3 of this RFP. Therefore, all costs associated with complying with the requirements of the Contract shall be included in any pricing submitted by the Proposer.

Please review the Contract and submit any and all questions, clarifications and recommendations to the Issuing Officer by the deadline date and time specified in this RFP. All questions, clarifications, and recommendations must be submitted using Attachment A-Questions and Answers Template.

Should there be any changes made to the Contract as a result of requests received, SRTA shall post a Final Contract via formal addendum to the RFP. Absent the issuance of a formal addendum containing a Final Contract, Proposers should plan on the Contract terms and conditions as attached hereto as Part 3-Contract.

Answers to all questions received by the applicable deadline will be posted to both the Georgia Procurement Registry website at http://ssl.doas.state.ga.us/PRSapp/PR_index.jsp and SRTA website at <https://srta.ga.gov/procurement/>. It is the sole responsibility of the Proposer to make itself aware of SRTA's responses to written questions the Proposer has submitted. Responses to questions are provided as information only and do not in any way alter the contents of the solicitation inclusive of the Scope of Services, the remainder of the RFP documents, or the Contract. Revisions to the solicitation or to the Contract shall be made only via formally issued addenda. Only such written addenda posted online shall constitute revisions to the solicitation.

2.5 Amendments to Solicitation (Addenda)

SRTA reserves the right to revise or amend the RFP up to the time set for the submission of proposals. Such revisions and amendments, if any, shall be announced by written addenda to the RFP. If an addendum significantly changes the RFP, the date set for the submission of proposals may be postponed by such number of days that SRTA, in its sole opinion, believes is sufficient to enable potential Proposers to address the revised RFP requirements in their proposals. In any case, the proposal submission deadline shall be at least three (3) business days after the last addendum, and the addendum shall include an announcement of the new date, if applicable, for the submission of proposals.

Upon issuance, addenda will be considered part of the RFP and will prevail over inconsistent or conflicting provisions contained in the original RFP. Changes to the RFP will be made in writing via formally issued addenda.

SRTA will not be responsible for a potential Proposer failing to receive notification of the availability of addenda. EACH PROPOSER IS INDIVIDUALLY RESPONSIBLE FOR REVIEWING ADDENDUMS AND ANY OTHER POSTED DOCUMENTS AND MAKING ANY NECESSARY OF APPROPRIATE CHANGES AND/OR ADDITIONAL TO THE PROPOSER'S RESPONSE PRIOR TO SUBMISSION. It is the sole responsibility of each potential Proposer to check SRTA and Georgia Procurement Registry websites daily for

addenda.

Proposers shall acknowledge receipt of all addenda by completing and submitting Offer Document #3 (Acknowledgement of Addenda), included in this RFP, as part of its proposal. As with other required documentation, proposals that fail to reference receipt of addenda by inclusion of Offer Document #3 (Acknowledgement of Addenda) may be excluded from consideration for a Contract award.

2.6 Single Response to Solicitation

If only one proposal is received in response to this RFP, a detailed cost analysis of the single proposal may be requested of the single Proposer. A cost analysis, evaluation, and/or audit of the proposal may also be performed by SRTA in order to determine if the proposal price is fair and reasonable. If SRTA determines that a cost analysis is required, the single Proposer must be prepared to provide, upon request, detailed summaries of estimated costs (i.e., labor, equipment, supplies, overhead costs, profit, etc.) and documentation supporting all cost elements.

2.7 Confidential/Proprietary Information

Any and all materials submitted in response to this RFP are subject to public inspection, pursuant to the provisions of O.C.G.A. § 50-18-70 et seq., Georgia's Open Records Act, upon completion of the RFP process. Each Proposer will be responsible for clearly identifying and labeling any records contained in its proposal as "trade secret" that the proposer has reasonably determined meet the definition of "trade secret" under Section 10-1-761(4) of the Georgia Code and that the proposer wishes to be exempt from disclosure under Section 50-18-72(a)(34) of the Georgia Code or any other applicable law. The Proposer must attach to its proposal an affidavit affirmatively declaring that specific information in the Records constitutes trade secrets pursuant to Article 27 of Chapter 1 of Title 10 of the Georgia Code.

If SRTA receives a request for public disclosure of all or any portion of the materials identified as "trade secrets" in a proposal in accordance with this RFP, before producing such records in response to such request, SRTA shall notify the Proposer of its intention to produce such records. If SRTA makes a determination that the specifically identified information does not in fact constitute a trade secret, it shall notify the Proposer of its intent to disclose the information within ten (10) days unless prohibited from doing so by an appropriate court order. If the Proposer wishes to prevent disclosure of the requested Records, the Proposer may file an action in Fulton County Superior Court to obtain an order that the requested records are trade secrets exempt from disclosure. The Proposer shall serve the requestor with a copy of its court filing. If SRTA makes a determination that the specifically identified information does constitute a trade secret, SRTA shall withhold the records, and the requester may file an action in Fulton County Superior Court to obtain an order that the requested records are not trade secrets and are subject to disclosure.

Proposers are advised that their designation as "trade secret" will not be binding on SRTA or

determinative of any issue relating to confidentiality. SRTA will not accept blanket designations that do not clearly identify information and materials that are "trade secrets". SRTA may, in its sole discretion, and subject to compliance with the Open Records Laws and other applicable law, treat the whole of the relevant Section(s)/document(s) that are subject to such a blanket designation as subject to disclosure pursuant to the Open Records Laws.

All material submitted regarding the RFP becomes the property of SRTA. Any activity pursuant to this RFP by any Proposer is governed by all applicable laws, including without limitation, Georgia and Federal antitrust laws. SRTA is not responsible to return to a Proposer any or all of the proposal or other information furnished by that Proposer.

In no event will the State, or any of their agents, representatives, consultants, directors, officers or employees be liable to a Proposer or Major Team Member for the disclosure of all or a portion of a proposal submitted in response to this RFP.

Nothing contained in this provision shall modify or amend requirements and obligations imposed on SRTA or any other State entity by the Open Records Laws or other applicable law, and the provisions of the Open Records Laws or other laws shall control if there is a conflict between the procedures described above and the applicable law.

2.8 Reserved Rights

In connection with this solicitation, SRTA reserves to itself all rights (which rights are exercisable by SRTA in its sole discretion) available to it under its Procurement Policy and applicable law, including without limitation, with or without cause, and with or without notice, the right to:

- (a) modify the procurement process or documentation described in this RFP;

- (n) require confirmation of information furnished by a Proposer, require additional information from a Proposer concerning its proposal and require additional evidence of qualifications or ability to perform the work described in this RFP;
- (o) seek or obtain data from any source that has the potential to improve the understanding and evaluation of the responses to this RFP;
- (p) add or delete Proposer responsibilities from the information contained in this RFP;

This RFP does not commit SRTA to enter into the Contract or proceed with the procurement described in this RFP. SRTA and the State assume no obligations, responsibilities or liabilities, fiscal or otherwise, to reimburse all or part of the costs incurred or alleged to have been incurred by parties considering a response to or responding to this RFP, or any subsequent RFP. All such costs shall be borne solely by each Proposer.

Except as provided in this RFP, in no event will SRTA be bound by, or liable for, any obligations with respect to the Project until such time (if at all) as the Contract has been authorized by SRTA and executed by SRTA and, then, only to the extent provided in the Contract. No Proposer shall have any cause of action against SRTA arising out of the methods by which proposals are evaluated.

SRTA has the sole right to select the successful proposal(s) for contract award(s); to cancel the solicitation and to advertise for new proposals; to award a contract(s) to other than the Proposer submitting the lowest cost proposal; to award multiple contracts; or not to award a contract as a result of this RFP.

SRTA reserves the right to accept any proposal deemed to be in the best interest of SRTA and to waive any irregularity or informality in any proposal that does not prejudice SRTA or other Proposers.

SRTA reserves the right to negotiate with the Proposer whose proposal is considered by SRTA, and in its sole discretion, to be most advantageous to SRTA.

2.9 Protest Procedures

SRTA's protest policy shall govern this solicitation, and it can be found at:

<https://SRTA.ga.gov/procurement/>.

2.10 Minority Business Participation

The requirements of 49 CFR Part 26, Regulations of the U.S. Department of Transportation, apply to this solicitation and resulting Contract. It is SRTA's policy to practice nondiscrimination based on age, disability, race, gender, color, sex, religion or national origin in the award or performance of this contract. All companies qualifying under this solicitation are encouraged to submit proposals. The requirements of this solicitation apply for all Proposers, including those who qualify as a Disadvantaged Business Enterprise (DBE). Proposers with questions regarding DBE certification may contact the Issuing Officer. Additional Contract requirements related to participation by DBEs are specified in Part 3 – Contract of this RFP.

As an incentive to increase utilization of minority-owned businesses as subcontractors on State purchases, the State of Georgia provides for an income tax adjustment on the state tax return of any company that subcontracts with a State certified minority-owned firm to furnish goods, property, or services to the State of Georgia. The Tax Incentive Program is codified at O.C.G.A. §48-7-38 and is managed by the Georgia Department of Revenue.

2.11 Ethical Standards

It is a breach of ethical standards for any SRTA employee to participate directly or indirectly in a procurement when the employee knows:

- The employee or any member of the employee's immediate family has a financial interest pertaining to the procurement;
- A business or organization in which the employee, or any member of the employee's immediate family, has a financial interest pertaining to the procurement; or
- Any other person, business or organization with whom the employee or any member of employee's immediate family is negotiating or has an arrangement concerning prospective employment is involved in the procurement.

SRTA employees are also bound by the Georgia Governor's Executive Order, dated January 14, 2019, for "Establishing a Code of Ethics for Executive Branch Officers and Employees." The Executive Order prohibits SRTA and SRTA employees, or any person acting on their behalf, from accepting, directly or indirectly, any gift from any person with whom the employee interacts on official SRTA business. Therefore, it is unlawful for a potential Proposer, or its subcontractors or suppliers, to make gifts or favors to any SRTA employee. It is also unlawful for any SRTA employee to accept any such gift or favor. In addition, any persons acting as members of the Evaluation Committee for this procurement shall, for the purposes of this procurement, be bound by the referenced Executive Order.

Throughout the proposal evaluation and award process and subsequent contract negotiations, Proposers shall not discuss or seek specific information about this procurement, including but not limited to, the contents of submissions, the evaluation process or the contract negotiations, with members of the Evaluation Committee, SRTA Board of Directors, or SRTA employees other than the Issuing Officer.

Any prospective Proposer, anyone representing the Proposer, any subcontractor or supplier on the Prospective Proposer's team, or anyone representing a subcontractor or supplier on the Proposer's team who attempts to influence any member of the Evaluation Committee, SRTA Board of Directors, or SRTA employees in regards to this solicitation by offering or giving any advantage, gratuity, discount, bribe, or loan to any member of the Evaluation Committee, SRTA Board of Directors, or SRTA employees will have its proposal removed from consideration for Contract award.

2.12 ADA Guidelines

SRTA adheres to the guidelines set forth in the Americans with Disabilities Act. Proposers should contact the Issuing Officer at least one day in advance if they require special arrangements when attending the Pre-Proposal Conference. The Georgia Relay Center at 1-800-255-0056 (TDD only) or 1-800-255-0135 (Voice) will relay messages, in strict confidence, for the speech and hearing impaired.

2.13 Contractual Relationships

SRTA intends to execute a Contract, attached as Part 3 of this RFP. The selected Contractor's contractual responsibility must solely rest with one firm or legal entity, which shall not be a subsidiary or affiliate with limited resources. Proposer's Proposal Letter, included as Offer Document #2 of this RFP, must clearly indicate the firm or entity responsible for contract execution.

2.14 Small Business Participation

SRTA strongly supports the participation of small business owners in its contracts. It is the policy of SRTA to ensure nondiscrimination in the award and administration of USDOT- assisted contracts. It is the intention of SRTA to create a level playing field on which Small Businesses can compete fairly for contracts and subcontracts relating to its construction, procurement and professional services activities in compliance with the requirement of 49 C.F.R. 26.39.

2.15 Proposal Withdrawal and/or Revision Following Submission

A submitted proposal may be withdrawn and changes to a submitted proposal can be made prior to the Proposal Submission Deadline. In the event a Proposer notes an error or omission in its response which was overlooked prior to submitted the proposal, the Proposer may contact the Issuing Officer to request the proposal withdrawn. Once the Proposer's response is withdrawn, SRTA has no response from the Proposer. Unless and until the Proposer resubmits the received response, SRTA will have no offer from the Proposer to evaluate for possible Contract award. Any resubmission must be received by SRTA no later than the Proposal submission deadline.

2.16 Proposer Conflicts of Interest

Proposer must disclose in detail, with the Proposal, anything that may create a conflict or appearance of a conflict of interest. For purposes of this RFP, "conflict of interest" means any situation or circumstance arising out of existing or past activities, business interests, familial relationships, contractual relationships or organizational structure (i.e., parent entities, subsidiaries, affiliates, subconsultants, etc.) or litigation where: 1.) Proposer, a key team member or key personnel could or could be seen to exercise an improper influence over the objective, unbiased and impartial exercise of SRTA's independent judgment; or 2.) could or could be seen to compromise, impair or be incompatible with the effective performance of its obligations under the resulting Contract.

Required disclosures include, but are not limited to: 1.) any current contractual relationships with SRTA any of their employees or board members; 2.) any past, present or planned contractual or employment relationships with any officer or employee of SRTA; and 3.) any other circumstances that might be considered to create a financial interest in the Contract by any SRTA or any of their respective employees or board members if Proposer is awarded the Contract. The foregoing list is a demonstrative list and shall constitute a limitation on the Proposer's disclosure obligations.

SRTA, in its sole discretion, will make a determination relative to a real or perceived potential conflict for a Proposer and its ability to mitigate such a conflict. A Proposer found to have a Conflict of Interest that cannot be mitigated, as determined in the sole discretion of SRTA, shall not have its proposal submission evaluated for Contract Award.

Failure to comply with the requirements in this Section 2.16 or to abide by SRTA's determination in this matter may result in SRTA disqualifying the Proposer from submitting a proposal, disqualifying the offending team member from participating on a Proposer's team or, following submission of a proposal, discontinuing further consideration of such Proposer and its proposal.

Conflicts of interest that arise after the Proposal submission deadline, but before the Notice of Award, must be disclosed in detail in writing to the Issuing Officer.

2.17 Contractual Provisions

SRTA shall execute the Contract, attached as Part 3 to this RFP, with the successful Proposer for the provision of the required services with the selected Contractor(s). All proposals shall be evaluated by an Evaluation Committee. Proposals and evaluations will be kept confidential throughout the evaluation and award process. Only the members of the Evaluation Committee and other SRTA staff having a legitimate work-related interest will be provided access to the proposals and evaluation results during the evaluation and award process. Proposals will be evaluated, and a Contract will be awarded in accordance with the following process:

4.2.1 Evaluation of Proposals by the Issuing Officer

- Proposals will first be evaluated by the Issuing Officer for responsiveness in accordance with the standard set forth in Part 1, Section 4.1.1 above. Only those proposals that are determined to be responsive shall be evaluated for Proposer responsibility.

4.2.2 Evaluation of Proposals by the Evaluation Committee

- Proposers who submitted responsive proposals will be evaluated by the Evaluation Committee for responsibility in accordance with the standard set forth in Part 1, Section 4.1.1 above.
- A responsible Proposer is one that SRTA believes to be responsible based on the responses provided on the Proposer's Offer Document No. 3.16 and/or based on Contractor's responses to the requirements of the RFP. SRTA reserves the right to conduct additional due diligence into any Proposer's responsibility status. Such due diligence may include investigations into any of the items set forth in the submitted offer documents.

4.2.3 Scoring of Proposals by the Evaluation Committee

- Proposals that are determined to be responsive and that were submitted by responsible Proposers shall be further evaluated by the Evaluation Committee to determine the Proposal(s) that is/are most advantageous to SRTA. The Evaluation Team will review each proposal to determine its compliance with the RFP technical requirements. All proposals which are considered responsive proposals will be scored in accordance with the scoring criteria detailed below.

Phase 1-Technical Evaluation (100-point maximum)

Category	Criteria	Points
Firm's Experience and Qualifications	Experience and Qualifications, Organizational Chart, and Resumes.	30 points
Traffic and Revenue Experience	Relevant Projects and Letters of Reference	35 points
Suitability for Required Scope of Services	Apparent Suitability	30 points
Suitability for Optional Services	Relevant Project Experience	5 points

Phase 2-Price Proposal (35-point maximum)

The Evaluation Committee shall specifically consider information submitted in accordance with Section 3.8. The Price Proposal will be reviewed for reasonableness and proper allocations across project deliverables. Failure to reasonably allocate cost amount deliverables, including, but not limited to, frontend loading of price items, may result in proposal disqualification.

4.2.4 Total Combined Score

Upon completion of the scoring by the Evaluation Committee, each Proposer will be assigned a Total Combined Score, consisting of the Proposer's scores from Phase 1, Phase 2 (if applicable) and Phase 3.

4.2.5 Best and Final Offer

SRTA reserves the right, but is not required, to request a Best and Final Offer from the Proposer(s) after the Evaluation Committee has completed scoring. BAFOs may be requested from one or more Proposers. In the event that a Best and Final Offer is requested, the request will indicate: 1.) the elements of the proposal for which revisions are requested; 2.) the criteria by which the revised proposals will be evaluated; 3.) any additional questions that the Proposer must respond to; and 4.) the method of submission and the deadline for submission of revised proposals and pricing. Additional discussions between SRTA and the Proposers may not take place during the BAFO period.

If a BAFO is requested, the final Contract award will be based on the highest point total using the following formula:

(Original Technical Score) + (Oral Presentation Score, if applicable) + (Best and Final Offer Cost Score) = Final Total Score

If a BAFO is not requested, the final Contract award will be based on the highest point total using the following formula:

(Original Technical Score) + (Oral Presentation Score, if applicable) + Price Proposal Score = Total Combined Score

4.2.6 Notice of Intent to Award and Notice of Award

The preliminary results of the evaluation may be announced through the public posting of a Notice of Intent to Award to SRTA website. The Notice of Intent to Award (“NOIA”) is not notice of an actual contract award; instead, the NOIA is notice of SRTA’s expected contract award(s) pending resolution of the protest process. The NOIA (if any) will identify the apparent successful Proposer.

At the end of the evaluation process, SRTA shall contact the apparent successful Proposer. The apparent successful Proposer must return two signed copies of the Contract to the Issuing Officer within one (1) week of notification. Failure to do so may lead to rejection of the Proposer. SRTA reserves the right to proceed to discussions with the next highest ranked Proposer. SRTA reserves the right to modify the Contract be consistent with the successful offer.

The Notice of Award is SRTA’s public notice of actual Contract award and will be publicly posted to SRTA website.

Solicitation No. 20-005: RFQC for Traffic and Revenue Consulting Services

**PART 3
Scope of Services**

1. SRTA Background

SRTA is a state-level, independent authority created by the Georgia General Assembly to operate tolled facilities and certain transit services within the state of Georgia. SRTA also serves as a financing arm for transportation projects across the state. SRTA’s Mission is “Connecting people, jobs, and communities through preferred mobility options and innovative solutions.” SRTA’s vision is to be an integral component of Georgia’s mobility network and a national leader for innovative transportation. SRTA’s core values are integrity, innovation, collaboration, customer focus, and diversity.

A. SRTA Toll Facilities and Operations

SRTA operates the Peach Pass and Xpress Customer Service Center – including a large retail center with three satellite locations. The Customer Service Center supports upwards of 50 Customer Service representatives, image reviewers, supervisors, and managers. The Toll Operations Center is co-located in the Georgia DOT Traffic Management Center and supports 24/7 operations of the Express Lanes. SRTA currently has approximately 535,000 active accounts and 902,000 active tags. SRTA toll transponders are "Peach Pass" branded and are the open standard (ISO-18000 6C) technology. These are the only transponders currently being distributed by SRTA.

SRTA currently operates four Express Lanes in the Metro-Atlanta region as described in Table 1 below. All Express Lanes are registered lanes (all users must have a valid transponder) with trip building and dynamic pricing. SRTA is currently interoperable with Florida and North Carolina through the Southeastern Hub.

Table 1: Existing SRTA Express Lanes

	I-85 Express	I-85 Express Extension	I-75 South Metro Express	Northwest Corridor Express
Toll Free Eligibility	HOV3+, Transit, Motorcycles, Alternative Fuel Vehicles		Transit

Toll Rate Min/Max	\$0.20/\$15.50	\$0.20/\$1.00	\$0.50/\$1.15	\$0.20/\$5.95

¹Lane numbers for reversible lanes are calculated as: number of physical lanes/number of lanes in each direction (i.e. a reversible lane

counts as 2)

2. SRTA Transit Operations

The service currently has 27 commuter bus routes from 27 park and ride lots located in 12 counties. Future expansion of Xpress is detailed in the Direct Xpress Final Report located on the Xpress website: <http://directxpress.xpressga.com/>. This plan includes expansion of existing park and ride lots, construction of new park and ride lots, and potential airport service.

3. SRTA Express Lane Expansion

SRTA is coordinating with the Georgia Department of Transportation (GDOT) in the planning and development stages for the Major Mobility Investment Program (MMIP). As part of this program, the State is planning for four additional Express Lane facilities:

- Revive 285 Express Lanes
- I-285 Eastside Express Lanes
- I-285 Westside Express Lanes
- GA 400 Express Lanes

It is anticipated that these projects would be under construction by 2026. Details on these projects can be found at <http://www.dot.ga.gov/IS/MMIP>.

1.2 Description of Anticipated Work for SRTA

The scope of services required by the Consultant shall include the following:

The preparation of one or more comprehensive T&R studies, in anticipation of SRTA entering the financial capital markets to seek financing for various projects. The Traffic and Revenue Studies may be requested at varying levels up to and including “investment-grade.” The actual studies may be used to raise capital and be relied on to determine the amount of financing that could be supported by toll revenue.

The toll facility types to be studied include, but are not limited to, the following: dynamically priced managed lanes, such as High Occupancy Toll or Express Toll Lanes, and traditional toll facilities. These projects may be financed through Public-Private Partnerships (P3s).

The scope of a T&R study requires extensive field data collection efforts, travel pattern surveys, corridor economic analysis, travel model development, traffic and revenue analysis and sensitivity tests. The studies will identify traffic trends, economic/ tolling variables and travel characteristic data from stated preference surveys. These elements are needed to quantify value-of-time and produce estimates of travel on the lanes. Consultant will use the latest version of the Atlanta Regional Commission’s (ARC) activity-based model as a basis.

T&R studies may be requested by SRTA at the individual project level or for the entire Express Lane system.

Consultant may be required to present reports and findings to SRTA staff, rating agencies and investors, local interested parties or others as requested.

Perform monitoring and analysis of the performance of the Express Lane System. This effort could include the evaluation and monitoring of traffic volumes, speeds and revenue, and other operational performance measures.

Optional scope of services may also include the following:

Evaluating impacts to the traffic and revenue of Express Lane Corridors or toll facilities for:

- Changes to lane eligibility (e.g. occupancy),
- Changes to toll policy (e.g. addition of toll-by-plate),
- Transit-related lane restrictions (e.g. restricting one lane to bus only during peak periods),
- Changes in rate setting policy (e.g. real time dynamic pricing vs. time of day), or
- Other operational changes.

The preparation of one or more parking studies. The parking study may be requested at varying levels from feasibility up to “investment-grade,” in anticipation of SRTA entering the financial capital markets to seek financing for various projects. The actual studies may be used to evaluate demand at existing or future park and ride lots for special event or long-term parking, evaluate parking fees and potential revenue, or to raise capital and be relied on to determine the amount of financing that could be supported by parking revenue.

Perform special studies or reports as requested regarding traffic, revenues, mobility, toll collection methods and strategies, related technology and industry trends.
