### ANSWERS TO QUESTIONS

SRTA is hereby issuing responses to questions received from Finalists responding to Phase 2 of this RFQ. Answers are provided below.

#	RFQ Section	RFQ Page #	Question	Answer
1	RFP/3.19 Technical Approach	22	Regarding 'the page limitation for this response is 20 pages' - Are we allowed to use tab dividers and if so, will they count as part of the pages count?	Tab dividers can be used will not count toward the page limitation.
2	RFP/3.19 Technical Approach	22	Are we allowed a cover and if so, would it count against the page limit?	A brief cover is allowed and will not count toward the page limitation.
3	RFP/3.19 Technical Approach	22	A table of contents was requested under the Phase 1 SOQ, we would like to include one with this phase as well. Is that allowed? If so, would it count against the page limit?	Yes, a table of contents is allowed and will not count toward the page limitation.

4	RFP/3.19 Technical Approach	N/A	Are we allowed to use links and QR codes in the approach? If so, does this become part of the contracts document? Would they count against the page limits?	Links and QR codes are not allowed due to the risk of them being broken or unreadable at a later point in time.
5	RFP/4.2.2 Evaluation Criteria	24	Will the SOQ be used in the evaluation or does the evaluation criteria only pertain to the Phase 2 technical approach? For example, will you be using information we already sent in the SOQ to evaluate (1) Experience and Qualifications (Maximum 35 points) or will you only use information we provide in the Phase 2 technical approach?	Phase 2 will consist of evaluation of only the areas of technical approach (55 points), past performance (10 points), and oral presentations (10 points) (if oral presentations are requested). Information already received in Phase 1 will not be re-reviewed in Phase 2. See also section 4.2.
