

SRTA Solicitation 23-000: Toll Integration Service Contractor

The State Road and Tollway Authority (SRTA) is seeking qualified contractors interested in serving as SRTA's Toll Integration Service Contractor (TISC) to replace and maintain the all-Electronic Toll Collection Systems (ETCS) for SRTA's existing four operational Express Lane facilities: the I-75 South Metro Express Lanes, the I-75/I-575 Northwest Corridor Express Lanes, the I-85 Express Lanes and the I-85 Express Lanes Extension.

SRTA anticipates the release of the Request for Qualifications (RFQ) in the first half of 2023.

This solicitation is a continuation of SRTA Solicitation 20-071 Request for Discussion (Toll Integration Service Contract Procurement Approach). Changes to the scope of work and procurement timeline are listed below.

Toll Integration Services Contractor

SRTA SOLICITATION 23-000

NOVEMBER 2022
