## **For Immediate Release:**

March 18, 2024

### **PEACH PASS PARKING NOW AVAILABLE AT HARTSFIELD-JACKSON ATLANTA INTERNATIONAL AIRPORT WEST PARKING DECK**

ATLANTA – The State Road and Tollway Authority (SRTA) announced today that starting March 15, 2024, Peach Pass customers can use their Peach Pass to park at Hartsfield-Jackson Atlanta International Airport's West Parking Deck and enjoy access to 5,700 parking spots.

"We can't thank the City of Atlanta enough for all their work and collaboration on this effort," stated Jannine Miller, Executive Director of SRTA. "We look forward to seeing our customers able to use their Peach Pass to park at the Airport's West Deck."

The Peach Pass Plus parking program works by charging airport parking fees directly to the primary credit or debit card associated with a Peach Pass account. Parking charges are calculated by the airport based on rates posted on signage at the West Deck ([Parking - ATL | Hartsfield-Jackson Atlanta International Airport](#)).

The parking system reads the Peach Pass transponder upon entry and exit of the parking deck and charges the parking fee. Peach Pass Customers are asked to keep account information up to date by accessing their account via the Peach Pass GO! 2.0 mobile app or [mypeachpass.com](http://mypeachpass.com).

This additional ATL West Parking Deck benefit is available to all Peach Pass customers (both Corporate and Personal accounts) with auto-replenishment turned on. Those customers wishing to opt out may do so using the Peach Pass website or mobile app.

ATL West Parking Deck customers can access the airport using the SkyTrain and will be dropped off at the Airport's Domestic Terminal.

Further details about Peach Pass Plus and parking at the airport can be found at <https://www.peachpass.com/peach-pass-plus-parking-program/>. Customers can also call Hartsfield-Jackson Atlanta International Airport Parking customer service at 404-530-6725 or the Peach Pass Customer Service Center at 1-855-PCH-PASS (724-7277) for more information.

The ATL West Parking Deck is located at 4199 Skytrain Way, College Park, GA 30337. The West Parking Deck is on airport premises and can be found by following directions on airport signs, in addition to inserting the address into wayfinding/mapping applications.

**About the State Road and Tollway Authority (SRTA)**

*SRTA is a state-level, independent authority created to operate tolled transportation facilities within Georgia and act as the transportation financing arm for the state. SRTA manages the collection of tolls on Georgia's Express Lanes System through the use of Peach Pass. In 2017, SRTA combined with the Georgia Regional Transportation Authority (GRTA) to jointly provide the services of both state authorities. The GRTA board continues to oversee developments of regional impact, air quality reporting and regional transportation plan approval.*
