Loan Closing Fee: In addition to the \$250 Application Fee, a 1% closing fee will be calculated and assessed at closing. If the borrower chooses to have the Loan Closing Fee deducted from the principal amount, borrower must ensure that it will still have enough remaining funding to fully fund the project.

Interest Rates

GTIB interest rates are tied to the Georgia Environmental Finance Authority's (GEFA) Georgia Fund rates. Rates will be determined at the time the application is submitted. Applicants selecting a repayment timeframe between the interest rates periods below will be assigned the higher interest rate. For example, an applicant requesting a 7-year repayment period would be assigned the 10-year interest rate of 2.54%. Interest rates as of November 2023 are as follows:

- 5-Year Loan 2.67%
- 10-Year Loan 2.54%
- 15-Year Loan 2.90%
- 20-Year Loan 3.35%

Application Review and Selection

If the Application is complete and all eligibility requirements are met, the Application will be evaluated by staff for competitiveness and submitted to the GTIB Advisory Committee for consideration. After Advisory Committee review a recommendation will be made to the SRTA Board, who will approve or deny the application. If the project is not approved for award, staff will notify the applicant. If the Application is approved, staff will advise the applicant and coordinate documents required for awarding funds.

Project Modifications and Adjustments

If project costs change or are otherwise modified between the time that an Application is filed and award are announced the Applicant should inform staff in writing, as soon as possible. In such an event the Applicant may be required file a supplemental Application.

Loan Closing

Upon an application being approved by the SRTA Board, the GTIB will coordinate the closing of the loan. Loan documents are prepared by the GTIB. The primary loan document is the loan agreement and its accompanying exhibits and forms. The loan agreement, including its exhibits, provides the terms of the loan. Draft copies of the agreement are sent to the Applicant and to Applicant's legal counsel for review. No changes to the forms are permitted without the express written approval of the GTIB.

The borrower must provide additional documents at closing. At a minimum, these will include a resolution authorizing the borrowing, an opinion of counsel addressing the legality of the transaction and such other closing documents as are required by the GTIB. If the borrower is securing the loan with a dedicated sales tax, proof of the statutorily required public approval of the sales tax must be provided. The GTIB will notify the borrower of the Closing Date.

Grant Program Guidelines

Grant Parameters

No grant may receive more than 25% of available grant funds, please refer to the Frequently Asked Questions section of the main GTIB website for available funding. There is currently no minimum threshold for grant requests. There is a cap on grant requests above \$2 million. For these grant requests, the maximum grant that can be applied for is 33 percent of the total project value. For grant requests under \$2 million, there is no cap, however, higher match amounts (excluding state funds) will improve grant application competitiveness.
