**About the State Road and Tollway Authority (SRTA)**

*SRTA is a state-level, independent authority created to operate tolled transportation facilities within Georgia and act as the transportation financing arm for the state. SRTA manages the collection of tolls on Georgia's Express Lanes System through the use of Peach Pass. In 2017, SRTA combined with the Georgia Regional Transportation Authority (GRTA) to jointly provide the services of both state authorities. The GRTA board continues to oversee developments of regional impact, air quality reporting and regional transportation plan approval.*
