**About the State Road and Tollway Authority (SRTA)**

*SRTA is a state-level authority created to operate tolled transportation facilities within Georgia and acts as the transportation financing arm for the state. SRTA manages the collection of tolls on Georgia's Express Lanes System through the use of Peach Pass. Since 2010, the Georgia Transportation Infrastructure Bank (GTIB) – a grant and low-interest loan program administered by SRTA – has provided funding for eligible local transportation projects across the state.*
