# FY25

## Fiscal Year 2025

JULY 1, 2024 - JUNE 30, 2025

# Georgia Transportation Infrastructure Bank Progress Report

GTIB | Georgia **Transportation** **Infrastructure** Bank

FINANCING TOMORROW'S INFRASTRUCTURE TODAY

# Georgia Transportation Infrastructure Bank

The Georgia Transportation Infrastructure Bank (GTIB) is a competitive grant and low-interest loan program administered by SRTA and funded by the Georgia General Assembly.

Each year, Georgia counties, cities, CIDs, and state agencies can apply for GTIB funding to help pay for transportation infrastructure projects.

The GTIB program serves as a catalyst for infrastructure development through loans and grants that reduce funding gaps and accelerate local project delivery on average by five years.

# Project Awards

Reaching all corners of Georgia, from Hiawassee in the north to Colquitt County in the south, and from Mount Zion in the west to Twin City in the east, GTIB provided FY25 grants and loans to support infrastructure improvements in communities throughout the state. FY25 also marked the launch of an impactful partnership between the GTIB and GDOT to help rural communities access federal funding through the Transportation Alternatives (TA) program.

### ATHENS-CLARKE COUNTY

*Roadway Reconfiguration*

GTIB GRANT AWARD: **$1,700,000**

# GTIB Commitment to Rural Projects

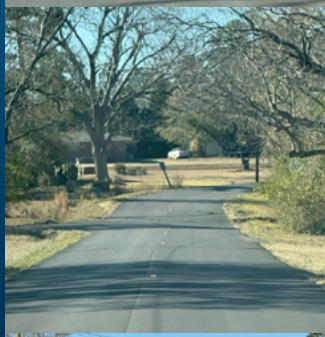

In FY25, GTIB awarded $14.2 million to 15 total rural projects, representing the largest rural investment in the program's history. It also marked the second year in a row that every eligible rural project received funding. With this round of awards, GTIB's total investment in rural infrastructure surpassed $52.2 million.

**WE HAVE BEEN VERY PLEASED WITH THE FUNDING PROCESS WITH THE GTIB, WHICH HAS THUS FAR BEEN THE FRIENDLIEST OF ANY PROGRAM WE HAVE PARTICIPATED IN. WHEN WE COMPLETE OUR PROJECT, WE WILL HAVE RESURFACED 25% OF OUR CITY STREETS AND ADVANCED OUR RESURFACING PLAN BY 10 YEARS. THE IMPACT FOR THE PEOPLE OF TWIN CITY IS ENORMOUS.**
